## Attend Veterans Day Celebration at Lake High School

Lake High School will host its annual, popular Veterans Day Celebration including live music presented by students, a special guest speaker, and more Friday, Nov. 9, 2018. This year's ceremony will fall close to the ending date of World War I 100 years ago: Nov. 11, 1918.

This moving ceremony will honor those that have fought for our country and freedoms. Please mark your calendars to join us, and help pay tribute to those men and women that have bravely served our nation. All veterans and their families are invited to attend.

An informal morning reception for all veterans will be staged prior to the ceremony in the Lake High School cafeteria. Doors will open at 7:45 a.m.

The ceremony, including speakers and music, will follow from 8:30-9:30 a.m. in the high school gymnasium. Please enter Door 7 off Market Avenue by the Lake Community Library or Door 5 by the Lake Community YMCA. You do not need to RSVP for this event.

## Synopsis:

The once-mighty Hercules is now a family man, with twelve daughters but no son to carry on the family business of heroism. When a treasure is stolen from under his nose, he kisses his family goodbye and sets off, eager to relive his glory days. But as soon as he leaves, the monsters of his past come after the daughters he's left behind! Now they're off on a rip-roaring adventure to save their family, learn the art of heroism, and prove to their famous dad that girls can be brave, daring, and gallant too.

## Show times:

**November 8-10, 2018 at 7:30 p.m.**

**November 11, 2018 at 2:30 p.m.**

**Tickets available at the door; \$10 per ticket**

## Cafeteria Corner

Fall has officially begun, which means that the food service staff is eagerly serving students and staff members well-balanced and nutritious meals. With a high demand of school lunches to be served, the Lake Food Service Department is now accepting applications for substitute cafeteria workers. This is an "as needed" position that requires flexible hours in the mornings and early afternoons throughout the school year. If you are interested in joining the Blue Streak's food service team, please apply at the administrative office next to the YMCA.

Lake Local Schools is once again participating in the National School Lunch Program for the 2017-18 school year. Parents of students unable to pay the full price of meals or milk served under the National School Lunch Program should submit an application online at

<http://www.lakelocal.org/LunchMenus.aspx>. The Federal Income Eligibility Guidelines will be used for determining eligibility. Children from families whose annual income is at or below the Federal Guidelines are eligible for free and reduced price meals. Reduced price meals are .40 cents each day.

For your convenience, Lake Food Service Department provides menus and nutritional information composed of most foods served in the cafeteria with a breakdown of: total calories, fat, carbohydrates, etc. at [www.lakelocal.org/LunchMenus.aspx](http://www.lakelocal.org/LunchMenus.aspx).

If you have any questions or concerns don't hesitate to contact our office at (330) 877-4742. *Thank you for letting us serve your Blue Streaks!*

Dave Lloyd, Foodservice Director

## WIN THIS CAR!

### LABC Car Raffle

The Lake Athletic Booster Club and sports teams will be selling raffle tickets for your chance to win a 2018 Chevy Cruze or \$15,000 cash prize option. Tickets are just \$10 each and the drawing will take place on April 6, 2019 at the LABC Reverse Raffle.

Look for our athletes at home games or around town to purchase your tickets. Can't get to a game? Send your name, address and phone number and check made out to LABC to P.O. Box 1057 Hartville, Oh 44632 and we will mail you tickets!

Don't miss out on your chance to win!

Win a 2018 Chevy  
Cruze or \$15,000  
cash option

\$10 each ticket

Drawing on April  
6, 2019

Sponsored by The  
Chevy Network &  
Schoner Chevrolet

Lake athletes from all sports are selling raffle tickets.

## School Equipment from Lake Local Arrives in Haiti

*Here's the rest of the story about a shipping container that recently arrived safely at Port-au-Prince, Haiti, after being packed to the brim and departing from a Lake High School parking lot last May.*

Organized as a National Honor Society service project last spring by Lake senior **Abbey Windham** with help from her father Dean and a team of Lake student volunteers, the container's arrival brought it one step closer to improving educational opportunities for Haitian children.

*Abbey stands in front of full shipping container*

*A truck arrived last spring to collect the filled container and begin the journey of transporting it to Haiti.*

Lake Local Schools donated gently used district text books, desks, tables, laptops, maps, cabinets, and more that it no longer needed to TeachHaiti after receiving the suggestion from the Windhams. TeachHaiti is a 501c3 organization that empowers Haitian children to emerge from poverty through education; the Windhams had learned about the organization as a result of doing previous church mission work on the island. "The kids here at Lake who helped me with assembling all the items for the shipment did a great job- everything was taped, numbered, so it was organized and made it so easy. Everyone got along and worked together," said Abbey.

Abbey also appreciated the support she received from Lake's Facility Project Manager John McAllister

*A team of Lake students, staff, and community volunteers helped to load the container last spring.*

and District Facility Maintenance staff member Greg Allen in quickly gathering and readying Lake's supplies for the shipping container. "They were very helpful, encouraging, and patient," said the senior.

Abbey also raised funds last spring through an online GoFundMe account to help pay costs of shipping, duty taxes, and handling of the container. To raise additional remaining funds needed to cover these expenses, the Windhams' church and Evermore Church in Hartville, and TeachHaiti founder and Haitian native Miquette Denie McMahon completed additional fundraising. Mrs. McMahon operates two 'Schools of Hope' located in Port-au-Prince and St. Michel, and provides some support to a refugee center located in Malpasse.

After traveling approximately 1,600 miles and arriving in Haiti's capital at the end of August, the container was released by Haitian customs officials in early September, as most Lake students were starting classes.

"At customs, everything was opened, and scattered as they checked it. They were looking to see exactly what was in it," said Windham. "Fortunately, they put everything back."

Windham explained that the container's arrival was delayed because of logistics issues that exist on the island, and a riot in Port-au-Prince due to higher gas prices.

After the container was released by customs, Windham and another church member, John Smith, traveled to Haiti Sept. 5-9, 2018, to empty the container a second time and begin assembling chairs, desks, and tables that had been taken apart for easier shipment. They found "lots of kids" affiliated with TeachHaiti waiting and willing to help.

Amazingly, only two items - one desk top and one file cabinet -were damaged from among the hundreds of items shipped from Lake Township. School Items

*Dean Windham, Miquette Denie McMahon, John Smith.*

next were put into trucks to be delivered to the two schools and refugee center.

Mrs. McMahon was overwhelmed by the amount of school equipment in the container when it arrived, Windham said.

According to Windham, the two schools receiving the used equipment from Lake Local Schools will have more resources than Haitian colleges currently have. "Once these kids graduate from a TeachHaiti school, having been trained on computers, they will have such a legitimate advantage," said Windham.

Although Abbey officially completed her NHS service project requirements when the shipping container arrived in Port-au-Prince, she wants to stay involved with the TeachHaiti program. She plans to return in January, 2019 to assist with ongoing work, and distribution of furniture and supplies, at the schools.

"Supporting TeachHaiti is important to me because it is an organization my family has been close to. As soon as I was able to visit, I became passionate for the children there. I love the culture, the people, and the feeling of Haiti, and I knew in my heart that this was my calling," said Abbey.

"What drew me and my family to this was Miquette. She just has a way about her that is strong, faithful, and hopeful, and it has really drawn me to look up to her and become a part of her program," she added.

For more info about TeachHaiti, visit <http://www.teachhaiti.org>.

*Mr. Reed's first grade class.*

## Kindergarten

## First Grade

The school year is off to a great start! First graders enjoyed Read, Move, and Groove. The students completed an obstacle course, showed off their dance moves, listened to a story, and played a hula hoop game. Congratulations to Mrs. Nalepa's and Mrs. Stormer's class for raising the most money in first grade. Congratulations to Mrs. Miller's class who raised the most money at Lake Primary! The school raised \$16,000 overall for supplies and activities for the students! That is awesome! Thank you, PTO for organizing this wonderful event! The students loved it! Thank you everyone for volunteering to help, and getting donations from friends and family!

First grade learned about apples. They observed, dissected, tasted, wrote, learned facts, and made graphs about apples. The students even made their own applesauce! To finish off the study of apples, they had an apple party! Wow! Apples taste good in a lot of different foods!

Finally, we want to say thank you to all of the parents who came to parent teacher conferences. We enjoyed sharing your students' success and growth with you.

*Mrs. Miller's first grade class.*

Kindergarteners at Lake Primary learned about Community Helpers. They learned who provides a good and who provides a service. Students used Project-Based Learning where they learned through inquiry and exploration. At the end of the unit, students were organized into four groups. Each group was responsible for creating a different part of a community. The students created the people, places, roads/infrastructure, or vehicles in the community. They brought everything together to create one large community! They decided if the pieces of the community provided a good or a service. At the end of the project, the students were able to play and act out being part of a community.

### Second Grade

Recently second graders worked on public service announcements. Each student chose a topic such as littering, bullying, stealing, lying, cheating, etc., then listed three reasons to support why someone shouldn't do those things.

They then met with a team of other students to create a slogan for their topic. They used a variety of methods to present their public service announcements, such as posters, skits, power point presentations, and videos; some used programs like iMovie, FlipGrid, and Google Slides!

Students had a wonderful time collaborating with their friends to teach others about the importance of being honest, *upstanding citizens!*

### Third Grade

Lake Elementary's third grade students have gotten off to a fantastic start this school year! Everyone loves and appreciates our new school, and students are adapting to changes easily!

At the beginning of the year, students learned about citizenship and responsibilities. Officer Laura Gulling talked about their role in our community. Students have been reading and studying ways they can be good citizens, and ways they can conserve energy and recycle. Mr. Harris taught us about oil spill clean-up and conservation. At the end of our unit, students experimented with ways to clean up an oil spill they created.

Furthermore, third grade studied government jobs and roles. We learned about our local government structure and how we can contribute to our community. Let's make it another great school year!

### Fourth Grade

Welcome back to school! Fourth grade had an amazing start this year. We are using both our indoor and outdoor learning spaces to teach and explore.

Some of our fourth grade students have begun to learning coding skills with robots. Our robots are a great way to not only learn about the new technology, but to also teach teamwork skills and cooperation.

If you have a fourth grader, are they reading in the evenings? If so, GREAT! Remember, the goal for student reading logs is *400 minutes* for the entire month. Keep up the great work with reading and recording your minutes.

*Students in Mrs. Nash's science class learn coding skills with robots!*

### Using Robots in Grades 2-6!

Melissa Dills, Tech Integration, shared that students are learning valuable coding, robotics, and problem solving skills using two robots, *Dash and Dot*. Students are able to make the robot perform specific actions using the app Blockly. Dash and Dot will be using in our grades 2-4 classrooms, while our fifth and sixth graders will be using Lego WeDo 2.0 to build and code robots.

### Fifth Grade

Fifth graders enjoyed Outdoor Education Day at our beautiful nearby Quail Hollow Park. Students are currently studying ecosystems during our Life Science Unit. Several presentations throughout the day by guest Park presenters focused on Ohio animals, and their adaptations that help them to survive.

Students gained hands-on experiences with life science standards, and learned about habitats, ecosystems, orienteering, and much more while enjoying the great outdoors. Parents, take every opportunity to take your children to Quail Hollow Park to learn, explore, get some exercise, and enjoy the beauty of the park! It is a wonderful community asset.

### Artists Dive into The Dot!

Student artists read an inspiring story, *The Dot*, by Peter Reynolds, about a fictional student that believed she "couldn't" draw, and wasn't "good" at art. With encouragement from her art teacher, to celebrate *her own unique strengths*, the once doubtful student became a celebrated artist in her school! Renowned for her special ability to draw "dots" this little lady spread the joy by encouraging others to be creative themselves, celebrate what makes their art unique, and try the impossible by, as the story stated "just making a mark, and seeing where it takes you!" Our student artists took these lessons to paper, and using paint and oil pastels, made their own gloriously unique dots full of color, creativity, and JOY!

### Meet Aidana Nurbekova, 2018-2019 Lake High School Exchange Student

*Aidana Nurbekova is attending Lake High School this year as an exchange student with Lake residents and Seth and Samantha Day and their young family. (The Days also have twins Sydney and Sylvia (3), Silar (5), who attends Lake Primary, and Sara (9), who attends Lake Elementary.)*

Aidana Nurbekova

Read on to learn more about this young lady, and see her answers to questions posed during an interview, as well as some answers provided by her host parents.

**Age:** 16, senior

**From:** Kyrgyzstan (central Asia)

Two international exchange programs are making her visit possible: The Future Leaders Exchange (FLEX) Program, which provides scholarships for

high school students from Europe and Eurasia to spend an academic year in the United States, living with a family and attending an American high school; and The **Council on International Educational Exchange (CIEE)**, a non-profit organization promoting international education and exchange. It was founded in 1947 and is based in here in the United States.

**When did you arrive here in Lake Township?** Before school started, August 24, 2018.

**When did you decide to become an exchange student?** It all started a couple years ago when I entered a FLEX competition and wrote an essay. I completed lots of paper work, and three rounds of academic exams. At the beginning of the first round of exams 4,000 students were involved. At the end of the process, 101 total students remained who had passed all three exams. I made it after starting from a group of 4,000!”

(Samantha and Seth Day) **Why did you decide to host an exchange student?**

(Samantha): We liked Aidana – we liked her positive attitude on her application, and her good grades. We also had passed through the Kyrgyzstan capital of Bishkek last year on a family trip. We really liked it.

(Seth) Our house has a lot of love to share. We want to expose our kids to other cultures, make them open minded. We can share what we have, bond with her, and this will help our kids grow as humans.

**Why did you decide to come the USA?** My assignment of a country was dependent on the location of my host family.

**How do you like Lake High School so far?** I like

it lot; the educational system here is different from my country. I really like having more opportunities to study – the privileges, and ability to choose classes. At home I had to follow a course of study.

**What is your biggest surprise so far after arriving here?**

(Highlight): The educational system – the cool culture is different, and the people.

(Low point): I missed a ‘Beyond the Scene’ concert.

**What classes are you taking?** Math (Pre-Calc), physics, government, history, English, digital photography. I especially like math, physics.

**Are you doing any extra curriculars?** Spirit Club and Swim Team

**How many languages do you speak?** Native Kyrgyz, English, Russian, Turkish, and a little Korean.

**What is your favorite food here so far?** Lasagna, coffee, chocolate

**Favorite Hobby?** I like to sleep.

**What are you considering as a future career at present time?** Become an engineer, or do something related to Math.

**Describe your family at home.** I have a family of five – Mom, Dad, and two sisters. I am the middle daughter.

**Is there anything in particular you would like to do while here this year?** Have fun, and I would like to see an ocean.

**Anything you would like to add, Samantha and Seth?** Host an exchange student! We recommend it, and the host organization. We hope our teenage girls are like Aidana.

## Lake High School Band Students Selected for State and Local Enrichment Ensembles

*Derek Gullett*

*Nathaniel Clevinger*

*Billy Brown*

*Emily Schrembeck*

*Matthew Desjardins*

*David Whitacre*

Lake High School Band students, **Derek Gullett**, trombone; **Nathaniel Clevinger**, clarinet; **Billy Brown**, trombone; and **Emily Schrembeck**, bassoon have been selected by the Ohio Music Education Association to become members of the 2019 All State Orchestra and All State Band. Approximately 1000 students from across the state of Ohio submitted required recordings last May for consideration and only 200 were selected to participate. Derek, Nathaniel, Billy and Emily will travel to Columbus in February to join other high school students from across the state who were selected to participate, rehearse and perform a concert as part of the Ohio Music

Education Association Professional Development Conference held at the Cleveland Convention Center. It is quite an honor and accomplishment to be selected to participate in these All State ensembles and we are extremely proud of these students for their talent and hard work!

Seniors, **Derek Gullett** (trombone) and **Emily Schrembeck** (bassoon) were accepted to participate in the Cleveland Orchestra Youth Orchestra for the 2018-19 concert season. Junior, **Nathaniel Clevinger** (clarinet) and sophomores, **Matthew Desjardins** (french horn) and **David Whitacre** (French horn)

were accepted to participate in the Canton Youth Symphony Orchestra for the 2018-19 concert season. Acceptance to participate in all of these select enrichment ensembles is based on an audition process. We continue to have many of our students represent our band program, school, and community through their participation in these select local and state enrichment ensembles. Congratulations to all of these students!

## Support the Lake Band Program

Please consider becoming a 2018-2019 Lake Band Patron. These tax-deductible contributions are utilized to help fund expenses related to band activities, events, uniforms, awards and scholarships. Thank you for your patronage!

## Middle School Band Night was Huge Success

The Lake Middle School 8th Grade Band has just completed their annual performance with the high school marching band as part of Middle School Band Night on Friday, September 21. The students joined the high school marching band for the entire evening, including marching to the stadium and sitting in the stands. 245 Lake Band students in grades 8-12 were on the field for the halftime performance. This is a very educational "first taste" of marching band for these students and they were very excited about the opportunity to participate. The students were taught many aspects of what it is to participate in the marching band including standing at attention, parade rest, 8 to 5 marching, and marching and playing. They all wore matching t-shirts that were designed by 8th Grade Band member, Chase Hammond. With the high school band, they helped to rock the house in playing Radioactive by Imagine Dragons. It was a fun filled night for all involved!

*Eighth Grade Band Students enjoyed joining the Lake High School Blue Streak Marching Band for their annual performance at Middle School Band Night.*

## 11th Annual Lake Band Show was Huge Success

On Saturday, September 8, 2018 the Lake Band Boosters, in partnership with Lake Local Schools and the Lake Band Program presented their 11th Annual Lake Band Show. Ten high school marching bands representing the counties of Stark, Columbiana, Carroll, Tuscarawas and Summit were in attendance to present very fine precision drill combined with outstanding music. Participating bands included United Golden Eagles, Sandy Valley Cardinals, Carrollton Warriors, Alliance Aviators, Canton McKinley Bulldogs, Massillon Tigers, Glen Oak Golden Eagles, Tuslaw Mustangs, Cuyahoga Falls Black Tigers, Wadsworth Grizzlies and our own Lake Blue Streak marching band. All of the bands were outstanding.

Proceeds from this event will help to fund the Lake Band Program grades five through twelve. Many thanks go to all of the band parent volunteers and Band Show Chairperson, Mrs. Kathy Martin. Thanks to all community members and parents who attended and please know that your admission fee will be used to support the entire Lake Band Program grades 5-12.

### 2018-2019 Lake Band Patron Form

Please circle donation level desired: Platinum - \$250    Gold \$100    Silver \$50    Bronze \$25

Is someone in your family a former Lake Band member/alumni?    Yes    No    Name(s) \_\_\_\_\_

Please make checks payable and mail to: Lake Band Boosters, PO Box 315, Hartville, Ohio 44632

The high school orchestra will perform at Disney World in Orlando, Florida next fall. The students have begun fundraising for the trip. There is an online Yankee Candle Sale underway now.

*Support the Lake Orchestra Fundraiser.*

If you enjoy **Yankee Candle** products, buy them from us *and* support the high school orchestra! Candles make great gifts, and the orchestra will earn 40 percent profit from sales! Visit [www.yankeecandlefundraising.com](http://www.yankeecandlefundraising.com) and enter our group number, **990054394** in the 'Start Shopping' box, then shop for catalog items and online exclusives. Items will ship directly to you. The sale ends Jan. 9, 2019.

In addition, the orchestra's special coffee, ***Symphonic Blend***, will go on sale next month. See any orchestra student or Arleen Scott for details.

**Looking ahead**, the high school and eighth grade Orchestras will perform Thursday, Nov. 29, 2018 at 8 p.m.

Sixth and seventh graders will perform Monday, Dec. 3, 2018 at 7 p.m. The concerts will include traditional, popular, and holiday pieces, as well as movie soundtracks. All will take place in the Lake Performing Arts Hall and are free and open to the public. *Come and enjoy beautiful music presented by our talented student musicians!*

## Orchestra Updates

The Lake Orchestra Program has begun another year of performances! This summer, a string quartet from the high school orchestra performed in the show *Beatles versus the Stones* at the Canton Palace Theatre. Seniors **Alexandra Xuan**, **Abbie Neo**, **Emily Weil**, and junior **Nick Desjardins** played with the tribute bands *Abbey Road* and *Satisfaction*. The bands invited local high school string players to perform along with them on their tour stops.

The seventh and eighth grade orchestras Fall Concert provided an opportunity for Lake students to perform with orchestra students from North Canton Middle School. Students from both schools rehearsed in the afternoon before having dinner provided by orchestra parents, and the Friends of Lake Orchestra, the orchestra booster group.

The two school orchestras then performed in the Performing Arts Hall. The concert that evening included six pieces. Lake and North Canton orchestras each played two pieces. Then, the two orchestras combined with the Lake eighth grade Band Percussion to play the final two selections together.

## Lake Performing Arts

### Upcoming Holiday Concerts

The Lake Local Schools Music Department cordially invites the entire community to attend any of the upcoming Christmas holiday concerts listed below. The concerts are free and open to the public. Mark your calendar and join us in celebrating the holiday season with music!

8<sup>th</sup> Grade and High School Orchestra - Thursday, Nov. 29, 2018 at 8 p.m. in the Performing Arts Hall

6<sup>th</sup> and 7<sup>th</sup> Grade Orchestra - Monday, Dec. 3, 2018 at 7 p.m. in the Performing Arts Hall

7<sup>th</sup> and 8<sup>th</sup> Grade Choir Concert - Tuesday, Dec. 4, 2018 at 7:30 p.m. in the Performing Arts Hall

Holiday Project Connect Concert - Wednesday, Dec. 5, 2018 in Performing Arts Hall

Refreshments at 12:15 p.m. with performance starting at 12:45 p.m.

7<sup>th</sup> and 8<sup>th</sup> Grade Band Holiday Concert - Thursday, Dec. 6, 2018 at 8:00pm in the Performing Arts Hall

5<sup>th</sup> Grade Choir Concert - Monday, Dec. 10, 2018 at 5:30 p.m. in the Lake Elementary Cafetorium

6<sup>th</sup> Grade Choir Concert - Monday, Dec. 10, 2018 at 7 p.m. in the Lake Elementary Cafetorium

6<sup>th</sup> Grade Band Concert - Tuesday, Dec. 11, 2018 at 7 p.m. in the Middle School Gym

High School Bands Holiday Concert - Thursday, Dec. 13, 2018 at 6:30 p.m. in the Performing Arts Hall

High School Choirs Holiday Concert - Wednesday, Dec. 20, 2018 at 7:30 p.m. in the Performing Arts Hall

*Happy Holidays from  
Lake Local Schools!*

## Athletic Office Hours

Office hours are 7:30 a.m. - 3 p.m. Lake High School Athletic Director Joe Bogdan and Athletic Secretary Tricia Knoch can also be reached at (330) 877-4288.

## Winter Ticket Packages

Ticket packages listed below can be purchased at the athletic office during regular hours. Additional questions can be answered by calling the Athletic Office at (330) 877-4288.

**2018-19 Boys Basketball Reserved Seat - \$80** (Available on-line beginning Nov. 5, 2018). [www.lakelocal.org/LakeTicketing.aspx](http://www.lakelocal.org/LakeTicketing.aspx)

- Reserved seat for all 10 home games
- Prime center court locations
- Priority purchase of tournament tickets

**“FANtastic Pass”** (Gate Entry Only)-\$40

- \$50 worth of admission to Lake events (OHSAA sponsored events excluded)
- Can be used in any combination (adults and students)
- Pass is good for as long as value remains (season-to-season and year-to-year)
- Additional passes can be purchased as needed

## Senior Citizens Pass

Residents of Lake Local Schools who are 65 and older may receive a complimentary all sports pass courtesy of the school district. To pick one up you must present a driver's license at the athletic office showing your Lake Local residency and age. PLEASE CALL AHEAD (330-877-4288) SO THAT YOUR PASS CAN BE PRINTED AND READY FOR YOU TO PICK UP.

## Military Personnel

Active and retired members of the military will be admitted free of charge to all athletic events. Personnel must have an ID or be in uniform.

## Family Price at the Gate

In an effort to keep athletic events affordable for families, Lake Local Schools are pleased to announce a new ticket option. For one price (\$18 HS events, and \$8 MS events) all members of an immediate family from the same household will be admitted to the game.

## Congratulations

The boys golf team was Federal League Co-Champions this year. Girls golfer Olivia Swain advanced to districts as an individual and Boys Golfer Alex Anderson also advanced to the district tournament.

## Tournament information

Stay up to date with all tournament action by visiting our athletics home page. “Tournament Central” is at the top and is updated with all available brackets and information.

## Activity Fees

Students and parents please remember that your once-per-year activity fee is due at the beginning of your first sports season. If you have not yet paid but are planning to participate in a winter sport, the fee of \$150 for high school or \$100 for middle school is due soon. Complete participation information can be found on the parent information page of the athletic website, <http://www.lakelocal.org/Registration.aspx>.

## Winter Schedules

The most up to date winter schedules will continue to be posted on the athletics web page. For updates via text message about cancellations and delays when the snow gets here text @lakesports to 81010.

Tuesday, Feb 28 | 6:00-7:30 pm

Learn how to use databases such as Ancestry Library Edition and Family Search effectively in your genealogy research.

### Technology Programs

#### How To Use Etsy \*

Saturday, Nov 17 | 10:00-11:30 am

Have fun while learning about Etsy, an entertaining way to buy and sell handcrafted products.

An Etsy account would be helpful for this class, but is not necessary.

#### Holiday Tech Sampler

Tuesday, Dec 11 | 2:00-3:30 pm

Osmo, Ozobots, 3 D Printer, Oh my!

Join us to discuss some of today's technology gadgets.

#### Transferring Your Photos \*

Tuesday, Jan 15 | 2:00-3:30 pm

Do you have digital photos stored on your camera, phone, or flash drive? Learn how to easily transfer those images to your computer.

#### Word I Basics \*

Tuesday, Feb 19 | 2:00-3:30 pm

Word is one of the building blocks for developing and expanding your Office skills. Begin with the basics of creating a document.

### Book Donations Needed for December Story Time

Each December the Lake Community Library's *Friends of the Library sponsors Story Time* on the Train during the popular, annual "Evening in the Village" Christmas event held in downtown Hartville. Children are able to board authentic train cars from yesteryear located near the Maple Street Art Gallery (housed in Hartville's original train station by the train tracks), and adult volunteers read short stories to them!

Last year we distributed more than 200 books to youngsters during this event. Help us continue to provide complimentary books to children during this great event. Books may be taken to Lake Community Branch Library.

Thank you!

LAKE ACADEMIC BOOSTERS

*Make it a great school year and get involved with  
Lake Academic Boosters (LAB)!*

LAB directly supports Lake Local

Schools academic programming by:

- awarding merit and need-based scholarships to deserving students
- conducting student recognition programs
- offering some financial support to academics-related extracurricular programs districtwide
- awarding Innovation Grants to Lake staff

*For more info or to get involved, e-mail [LAB@lakelocal.org](mailto:LAB@lakelocal.org) today!*

*LAB is a 501c3 organization.*
